Crisis in Subsidiaries of National Textile Corporation

408. SHRI MOHINDER SINGH KALYAN: Will the Minister of TEXTILES be pleased to state:

(a) whether the subsidiaries of the National Textiles Corporation are facing a serious crisis due to lack of competent managerial staff;

(b) if so, the details thereof; and

(c) the measures taken by Government in this regard?

THE MINISTER OF TEXTILES (SHRI R.L. JALAPPA): (a) to (c) No, Sir, NTC has been suffering losses due to various reasons like obsolete machinery, excess man-power high cost of raw material, acute shortage of working capital etc. On account of continuous loses suffered by NTC mills, 8 out of its 9 subsidiaries have been referred to the BIFR which has declared them to be sick industrial companies. Government has approved a revised modernisation plan for NTC Mills. The plan envisages modernisation of 79 mills at an outlay of Rs. 2005.72 crores, restructuring of 36 unviable mills into 18 viable units, rationalisation of surplus workforce through Voluntary Retirement Scheme, etc. The plan will be implemented after approval by BIFR. Meanwhile to avoid hardship to the workers, Government are meeting the shrotfall faced by NTC in payment of wages/salaries to workers employees of NTC.

Cotton Imports

409. SHRI SANJAY DALMIA: Will the Minister of TEXTILES be pleased to state:

(a) the quantity and value of cotton likely to be imported during the current year;

(b) the impact of this import in domestic market; and

(c) the concrete steps taken to minimise the import of cotton?

MINISTER OF TEXTILES (SHRI R.L. JALLAPA): (a) The Cotton Advisory Board in its meeting held on 17.6.96 has estimated likely imports of cotton for the year (September 95—August 96) at 1 lakh bales. These are estimated to be valued at Rs. 120 crores approximately.

(b) and (c) Cotton imports are under Open General License. (OGL) with zero import duty. Import is made either under the Advance Licensing Scheme or by 100% EOUs or by textile mills to meat[1] specific quality requirements depending on relative price, and demand and supply position. The current level of imports are not expected to have any adverse impact on the domestic market.
